

The 8th National Fungus Day of Egypt Online

اليوم الوطني الثامن لفطريات مصر أونلاين

Date: February 24, 2023

علم الفطريات من قبل دارسى الفطريات الهواة والمتخصصين صغار السن

13:30 -22:00 pm Egypt local time

Time	Title		Presenter
13:30-13:45	Registration		Dr. Mohamed Abd Elazeem (Egypt)
13:45-14:15	Welcoming by ASFC (2022) Award winners and History of Egypt' National Fungus Day		Prof. Ahmed Abdel-Azeem (Egypt)
14:15-14:45	Fungal Biostimulants in Agriculture: Towards a Sustainable Future		Dr. Lobna Hajji-Hedfi (Tunisia)
14:45-15:15	Fungi and Mycotoxins		Dr. Maryam Tavakol Noorabadi (Iran)
15:15-15:45	Fungal Diversity by Polyphasic Techniques		Dr. Bassem Ayman Balbool (Switzerland)
16:15-16:45	Fungal Secondary Metabolites: A treasure to discover for food industry.		Dr. Neveen Mounir Abdelmotilib (Egypt)
16:45-17:15	Strategic crops and endophytic fungi: The new hope towards sustainability		Dr. Akram Hassan Mohamed (Egypt)
17:15-17:45	Nematicidal activity of soil fungi against plant parasitic nematodes		Dr. Aya A. M. Abdellatif (Egypt)
17:45-18:15	Fungal Volatile Organic Compounds (VOCs): Diversity and applications		Dr. Norhan Emad Kotb (Egypt)
18:15-18:45	Dung Fungi from Brazil - recent advances and future perspectives on the Brazilian copromycodiversity		Dr. Francisco J. Simões Calaça (Brazil)

Time	Title		Presenter
18:45-19:15	A Bibliometric analysis of Mycology in Egypt since 1798		Dr. Ahmed El-sayed Abotaleb (Egypt)
19:15-19:30	Molluscicidal efficacy of <i>Beauveria bassiana</i> and <i>Paecilomyces lilacinus</i> extracts on <i>Biomphalaria alexandrina</i> snails		Poster by Prof. Marwa Tamim Abdel-Wareth (Egypt)
19:30-20:00	Fungi as emergent solution for climate change issue		Dr. Abdallah Ibrahim Moharam (Egypt)
20:00-20:30	Endolichenic Fungi as a Potential Source of Bioactive Secondary Metabolites		Dr. Safaa Abdelbary Mansour (Egypt)
20:30-21:00	Bioremediation of Azodyes by Fungi		Ms. Mariam Basha (Egypt)
21:00-21:20	Importance of fungi in human life		Ms. Hinour Khalaf Najeb (Egypt)
21:20-21:40	Biological Control of Weeds by Fungi: Challenges and Opportunities.		Ms. Salma Elsaed Ahmed (Egypt)
21:40-22:00	General Discussion and Recommendations		Prof. Ahmed Abdel-Azeem (Egypt)
