

Community and environmental services center

The culture and heritage unit considered as an effective unit in the center so some awareness lectures targeting the kids and students besides the local inhabitants of saint Katherine , informing them about the center and its activity

Subject:-

A simplified lectures about the center to the students and the local inhabitants including these points:

1. What is the community and environmental services center?
2. Who are the partners of the project?
3. Where is the center?
4. Why the funding agency accepted to support the project?
5. What is the services available in the center ?with illustrations on every unit .
6. What is the final beneficiary of the project?

- The local inhabitants showed an obvious reaction which mean that they were satisfied and happy by the project activity.
- The drawing of the kids was evaluated to choose the talented kids in order to support them and develop their skills.
- Many prizes was bought to the chosen kids and will receive it during the official opening of the center.
- A co operation with an associate (sohbet kheir) in cairo to organize a work shop for the students , the unit received some books from the associate for the unit library.
- An announcement about the natural biocide produced by the center inside saint Katherine city and the southern part of the protectorate too
